

IN HONOR OF THE BAYWAY CHEMICAL PLANT ON ITS 75TH YEAR ANNIVERSARY

HON. ROBERT MENENDEZ

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 27, 1995

Mr. MENENDEZ. Mr. Speaker, I rise today before the House of Representatives to pay tribute to the Exxon Chemical Company's Bayway chemical plant as it celebrates 75 years of doing business in Union County. It will commemorate its platinum anniversary on September 27, in Linden, NJ.

The Bayway chemical plant has been a good corporate neighbor and has contributed a great deal to our community and our Nation. For 75 years, Bayway has done an excellent job in creating a good relationship between the plant and the community. The Bayway chemical plant is a vital and a responsible part of the community, creating well-paying jobs and providing benefits to the residents of Union County.

At the Bayway chemical plant, the petrochemical age began 75 years ago. By producing a chemical widely used in rubbing alcohol, the plant heralded the dawn of a new era. In the decades that followed, Bayway helped to meet the ever-increasing demand for petrochemicals. From the earliest efforts of marketing isopropyl alcohol to today's commitment to safe and environmentally-sound operations, Bayway has managed to answer the needs of a changing marketplace and to maintain leadership in the chemical manufacturing business.

The Bayway chemical plant should also be applauded for its safety procedures and utmost respect for the environment. In 1994, the employees earned safety through accountability certification, the top level of achievement in the U.S. Occupational and Health Administration Voluntary Protection Program. Responsible care, the Chemical Manufacturers Association program, is committed to improving the industry's responsible management of chemicals. Since 1989, the Bayway chemical plant has reduced its emissions 66 percent. This has been accomplished through the careful updating and refitting of equipment.

The Exxon Chemical Company's Bayway chemical plant should be commended for its 75 years of invention and innovation in chemical manufacturing. I salute the employees for their outstanding service and dedication to fulfilling the needs of fellow Americans. I wish them the best of luck for the next 75 years.

HON. GERALD D. KLECZKA

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 27, 1995

Mr. KLECZKA. Mr. Speaker, I rise today to congratulate my friend Sheriff Richard E. Artison on his retirement.

At the time he was appointed Milwaukee County sheriff in 1983, Richard Artison had already shown himself to be a multitasking law enforcement professional. Prior to his appointment,

he had served as a special agent for the U.S. Army Counter Intelligence Corps, a patrolman and detective for the Omaha Police Department, a criminal investigator for the U.S. Treasury, a special agent for the Secret Service, and a community relations specialist for the Milwaukee Fire and Police Commission.

As the chief law enforcement officer for Milwaukee County, Sheriff Artison faced a difficult and challenging job. He has consistently and effectively risen to the demands of his office and has done so with grace and style. Following his appointment, Sheriff Artison quickly earned the respect of his coworkers and the general public. The esteem in which Sheriff Artison was held is evidenced by the fact that the voters of Milwaukee County reelected him to five terms as sheriff.

Mr. Speaker, I commend Sheriff Artison on his years of outstanding service and dedication to the people of Milwaukee County. I wish him happiness and health in his retirement.

A TRIBUTE TO THE SAN BERNARDINO COUNTY COMMUNITY SERVICES DEPARTMENT

HON. JERRY LEWIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 27, 1995

Mr. LEWIS of California. Mr. Speaker, I would like to bring to your attention the fine work and outstanding public service of the San Bernardino County Community Services Department. In early November, an anniversary dinner will be held honoring the community services department as it celebrates 30 years of service to the low-income community.

In his first State of the Union Address in 1964, President Lyndon Johnson declared an unconditional war on poverty in the United States. Later that year, the Economic Opportunity Act was signed into law with the goal of eliminating the paradox of poverty in the midst of plenty. Out of this effort emerged the dependency prevention commission in San Bernardino County. Committed to the elimination of poverty, the dependency prevention commission pioneered many original anti-poverty programs at the local level including Head Start, Job Corps, VISTA, Neighborhood Service Centers, and Neighborhood Youth Corps. The dependency prevention commission was renamed the community services department in 1975.

Over the years, the community services department has achieved national recognition for implementing creative, cost-effective programs to serve the poor and homeless. Impressive steps have been taken to provide these services through the San Bernardino County Food Bank, Nutrition for Seniors, Energy Conservation Program, Sure Steps Family Sufficiency Program, and Children's Learning Excursions and Summer Camp Program.

Mr. Speaker, I ask that you join me and our colleagues in recognizing the San Bernardino County Community Services Department for three decades of concern, service, and dedication on behalf of those in need. Having achieved an outstanding record of success, it is only fitting that the House of Representatives recognize them today.

HON. GLENN POSHARD

Wednesday, September 27, 1995

Mr. POSHARD. Mr. Speaker, I rise today to pay special tribute to Mrs. Bonnie Wolf of Pana, IL. Bonnie passed away September 12, and it is with sorrow that I speak here today of this fine woman.

Known throughout Christian County as "Mrs. Democrat," Bonnie faithfully served the people of her community. Her lifetime of service to the people of Christian County, and the Democratic Party, strengthened the belief that one person can make a positive difference in the lives of many.

Bonnie's passing is a great loss to all who knew her, and the community she worked hard to improve. Bonnie Wolf dedicated her life to helping the people of Christian County, and her never ending determination to help her neighbors will not be forgotten. Mr. Speaker, Bonnie was a wonderful woman who will always have a special place in the hearts of those who knew her, and it is with great sadness that I offer my condolences to her family.

IN HONOR OF BARBARA ERICKSON LONDON

HON. NORMAN Y. MINETA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 27, 1995

Mr. MINETA. Mr. Speaker, 3 weeks ago, a remarkable woman stood on the deck of the U.S.S. *Missouri* in Bremerton, WA. Our colleagues will recall that it was on the deck of that ship in 1945 that the Empire of Japan formally surrendered to the United States and our allies, thereby ending the Second World War.

Fifty years later, on September 2, 1995, that ship and that occasion was marked and honored with the presence of Barbara Erickson London, the only Women's Army Service pilot to receive the prestigious Air Medal during the Second World War.

Born in the Pacific Northwest and now a resident of Long Beach, CA, Barbara Erickson London entered the Civilian Pilot Training Program while a student at the University of Washington. She was 1 of 4 women in a class of 40, and quickly proved herself to be a natural aviator. So it was no surprise that by 1942, with the Nation at war, she would join the Women's Auxiliary Ferry Squadron at Wilmington, DE.

Barbara Erickson London's technical skills and leadership talents were soon recognized, and she was named squadron commander of the 6th Ferry Group. At age 23, she organized and trained a cohesive group of 80 women to fly P-51 Mustangs, P-38 Lightnings, C-54 Skymasters, B-25 Mitchells, and B-17 Flying Fortresses from their Long Beach Airport base
